

FUN CUP UK

**Autosport
Show
10-13/01/08**

Thank you to everyone who visited our stand at the Autosport show last week. Our stand attracted a great deal of attention this year – especially on Thursday and Friday, as 4 of our Fun Cup girls did a fantastic job promoting the car for press and media pictures, as well as being filmed with the car for various camera crews.

The show was the most successful to date for Fun Cup UK and we were delighted to sell 4 more cars. This now takes our UK fleet to a phenomenal 50 cars, which is fantastic news for the series. To view more pictures from the show, please visit the picture galleries section of the website www.funcup.co.uk.

2008 TRACK DAYS

**Oulton Park/
Donington
Park**

We will be holding track days every 2 – 3 weeks at Oulton Park International and Donington Park. For new customers, this means that you will be able to test a competition Fun Cup car and no race licence is required. All you need is a current driving licence and to turn up at the track. It is that easy!

We can offer half hour sessions/full hour sessions, full morning sessions/full afternoon sessions and full day sessions. For further information, please call Paul on 01538 306921. Details of track days will also be added to the latest news section of the website www.funcup.co.uk.

2008 Registration Forms

Registration forms for 2008 are now on the website www.funcup.co.uk and should be filled in online. Please note that it is important that all sections of the form are completed in full. If any details on the form change during the 2008 season

it is the Team Manager's responsibility to complete a new form. We cannot accept any new details over the telephone. Once your registration form is complete, you will then receive information updates regarding the 2008 season via email. Please note, it is only necessary to complete the registration form if you are a Car Owner/Team Owner/Team Manager. This is not for individual drivers.
