

15th March 2006

Dear Competitor

Only a few weeks to go before our first race at Snetterton.

BRSCC Membership

We have a special BRSCC membership at £235 for the car, which includes each and every driver for an event. You must have this before you can race. Alternatively, you may be an individual member. For car registration, simply download the form from the website, if you do not already have one.

Regulations

A few minor changes. Please make sure that you take a few minutes to read them, they have all been highlighted. Again these are on the website.

Entry Forms

All teams must send in an entry for each race. You can download them from the website. It is vital you get these forms to us on time. Do not worry if you have not got signatures, they can be signed at the event. But, we MUST have the entry form no later than eight days before each round. If you fail to do this, you will probably have no garage.

Food

I am pleased to inform you that we have a new awning this year, from which we will be providing food for six people per team, on race day. If you need more wrist bands for extra team members or guests, this can be arranged, but you must do so in advance. Call me for details. Please note, food wrist bands will only be valid on race day. For all JPR Rental drivers, soft drinks, tea, coffee and Belgian beer will be available throughout the race weekend, as usual. I must stress that because we will now be catering for more than 200 people, any teams who bring food to heat up etc will not have access to any of our catering equipment, so please make alternative arrangements if necessary.

Uniroyal Badge

You must have a Uniroyal cloth badge on the front left, or right upper part of your race suit. These will be posted to new registered teams. If you need another one please call the office. They must be in place for the first

race. Please note, if you have any other tyre manufacturer's badge on your overalls, it must be removed, or covered during race day.

TV

Coverage will again be appearing on the Sky Sports Race World programme. There will be no dedicated camera car this year. However, Sky will be mounting cameras in various cars throughout the year.

Spa 25 Hours

Because of the massive growth of the Fun Cup series, particularly in France, from 40 plus to 74 cars, it does mean that places at the Spa 25 hours are going to be snapped up. In order to safeguard your entry you must enter as soon as possible to avoid disappointment. There will be a limit of only 138 cars. Your UK entry fee for this race includes fuel during qualifying and the race.

UK Entry Fees

Please note that the UK entry fees do not include fuel, but they do include exclusive testing of between 1.5 – 2 hours on Friday and full use of a pit garage for testing and race. VAT invoices will be raised for all entry fees after each event. If you need them in a special name or to a special address, please let me know in advance.

Spare Parts Service

We will have a truck at each round carrying spare parts. However, in order for it to work it is essential that you have completed an account form. This just requires a credit card confirmation. So, if payment for goods is not received within seven days then we will debit your card. Simple, convenient and fair. If you have not completed this form then please contact Roxie a.s.a.p. on 01625 511500. We will not hand out any parts without a completed form.

Testing

You can arrive from around 5.30pm on Thursday evening and gain garage access once any previous team in your garage is clear. Testing on Friday will be around 15.20 until 17.20. You must sign on in the circuit office beforehand.

Post Testing

As usual, all teams are invited to join us for beer and nibbles in the awning!

Race Day

Signing on will be early, followed by scrutineering in your garage. Details on the website. A full list of pit garage allocation will be issued prior to the event. You must use this garage all the time you are there.

Hotels

We have taken over all of the rooms at the Breckland lodge. It is the closest to the circuit and quite a reasonable price. If you want to book, ring 01953 455202 and quote Uniroyal Fun Cup. Once it is full we can recommend the comfort Inn on 01366 728888.

Tickets

All tickets will be posted out to team managers etc. JPR rental drivers will be posted tickets individually.

Notice Board

There will be notice board in the awning. Here you will be able to check any timetable changes, grid positions, garage allocations etc.

Finally...

I look forward to seeing you all at Snetterton, with the grid now larger than ever, we are guaranteed lots of action!

Kind regards
Paul Rose
